Commencement Convocation

THE FOURTEENTH FALL COMMENCEMENT

WILLIAM "BILLY" J. NICKS, SR. BUILDING

SATURDAY MORNING, DECEMBER NINETEENTH

TWO THOUSAND NINE

NINE O'CLOCK

TO OUR GUESTS

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building. Please ask an usher for assistance.

GRADUATING WITH ACADEMIC HONORS[†]

Honor recognition at graduation is based on consistent high scholarship and cumulative grade point averages earned. To be eligible for graduation with honors, a student must have received no failing grades (transfer or residence) and must have completed the last 60 semester hours in residence at Prairie View A&M University. A student may graduate with honors in one of the three categories:

SUMMA CUM LAUDE

Cumulative Grade Point Average of 3.90 - 4.0

BLACKSHIRE, BILLIE J.
WARREN, MORGAN DANIELLE

MAGNA CUM LAUDE

Cumulative Grade Point Average of 3.70 - 3.89

THE COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common head-piece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of head pieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture	Maize
Architecture	Lavender
Arts, Letters, Humanities.....	White
Commerce, Accountancy, Business.....	Drab
Dentistry	Lilac
Economics.....	Copper
Education	Light Blue
Engineering	Orange
Fine Arts.....	Brown
Forestry	Russett
Geography.....	Blue and Green
Home Economics.....	Golden Yellow
Journalism.....	Crimson
Industrial Education	Light Blue
Law	Purple
Library Science	Lemon

Medicine.....	Green
Music.....	Pink
Nursing	Apricot
Oratory (Speech).....	Silver Gray
Pharmacy	Olive Green
Philosophy.....	Dark Blue
Physical Education.....	Sage Green
Public Administration, including	
Foreign Service.....	Peacock Blue
Public Health.....	Salmon Pink
Science	Golden Yellow
Social Work.....	Citron
Technology	Golden Yellow
Theology.....	Scarlet
Veterinary Science.....	Gray

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

COMMENCEMENT ORATOR

NATHELYNE ARCHIE KENNEDY, P.E.

Following in the footsteps of her father Nathaniel L. Archie (a former career educator in Conroe, Texas), and her paternal grandmother Betty Crawford Archie (who had attended in the early 1900s and became a home economics teacher), young Nathelyne Archie set her sights on Prairie View A&M College—and a career in engineering—while still in high school.

Having a female in an engineering classroom was still new enough that some people doubted the idea, but Nathelyne Archie achieved her dream and became the first female engineering graduate in the history of the University. In fact, she was the first African-American woman to earn an engineering degree from any university in Texas, and the first to become a P.E.—a state-registered Professional Engineer.

After 12 years as the only woman engineer in a large Chicago firm (there had been no post-graduation opportunities for her in Texas), a transfer in husband James D. Kennedy's career brought the Kennedy family back to Houston. With entrepreneurial opportunities for women and minorities emerging through a new affirmative action program adopted by the city of Houston, she decided to open her own firm—Nathelyne A. Kennedy & Associates—in 1981. Making the fledgling enterprise successful would not always be easy, but as she has done throughout her professional life, Nathelyne Archie Kennedy vaulted every hurdle and kept forging ahead.

Now in its 28th year, Nathelyne A. Kennedy & Associates continues to provide services on many of the most prestigious engineering projects across Texas—revitalization of municipal infrastructures; freeway and toll road expansions; improvements to airports and marine terminals; major league sports facilities; and urban light rail systems.

As she has achieved her own success as a business owner, garnering numerous personal and professional recognitions and awards—including the naming of the Nathelyne Archie Kennedy building on the Prairie View A&M University campus in 2006—Kennedy has continually shared what she learned and experienced by being a willing small business advocate and a role model for other entrepreneurs.

Throughout her professional career, she has maintained close connections to her alma mater—and to the many friends and mentors who still profoundly influence her life—through participation in local and national alumni associations, and through the Prairie View A&M University Capital Campaign Committee and the Prairie View A&M Foundation, working to prepare the University for generations of future students.

Devotion to Prairie View A&M University is clearly visible in the Nathelyne Archie Kennedy Scholarship Endowment, which is dedicated to encouraging and assisting today's students—both female and male—who choose Engineering or Architecture as a profession.

Nathelyne Archie Kennedy has been married for 48 years to Prairie View A&M University alumnus James D. Kennedy. They have two children: daughter Tracey A. Kennedy, Esq., of Los Angeles; and son David J. Kennedy of Houston.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending Prairie View A&M University's 2009 Fall Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine university, Texas celebrates with you. You have demonstrated excellence and have accomplished much of which to be proud.

But remember that the diploma you receive today is not the goal you have worked diligently to attain. It is only a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I urge you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone we celebrate today is only one of many achievements you will know. I encourage you to consider the support system that helped you reach this place – the families, friends, teachers, professors and communities of faith that have supported you – and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will bolster and guide you as you continue on your way.

May you continue to excel, and may you fulfill your great potential. First Lady Anita Perry joins me in sending best wishes for your continued success.

Sincerely,

Rick Perry

Rick Perry
Governor

THE TEXAS A&M UNIVERSITY SYSTEM

Office of the Chancellor

November 23, 2009

Dear Graduate:

I am delighted to extend my congratulations to you on this memorable day. This day marks the successful completion of a rigorous endeavor that required commitment and sacrifice by you and by your family. It is a day for celebration.

Your education at Prairie View A&M University has taught you to be independent thinkers and strong leaders. You now become a part of Prairie View's legacy of producing graduates who make a difference in their personal and professional lives, as well as their communities.

Again, congratulations and best wishes for a bright future. On behalf of The Texas A&M University System, we are proud of you and your achievements and encourage you to continue a life of learning and of service.

Sincerely,

Michael D. McKinney, M.D.
Chancellor

Dear Class of 2009:

On behalf of the Prairie View A&M University National Alumni Association (NAA) I would like to sincerely congratulate you on your graduation from Prairie View A&M University. You are to be commended for your academic achievements and accomplishments. I wish each of you success as you enter the workforce, continue to matriculate, or advance in your career. Prairie View has produced another group of productive people for our world.

Now that you have joined the rank of alumni, I invite you to join your fellow alumni in building a strong National Alumni Association for the perpetuation of our illustrious university. You have been awarded the first year of membership free. For more information about the NAA and how to register for your free membership, please visit www.pvualumni.org.

Again, Congratulations!

Sincerely,

Mr. Lynn Morris
President

ALMA MATER

"DEAR PRAIRIE VIEW"

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Words by O. Anderson Fuller
Music from "Finlandia" by *Sibelius*
